Predmet: **Preporuka za studenta – Filip Medak**

Poštovani,

Zadovoljstvo mi je napisati preporuku za Filipa Medaka, koji se prijavio za posao.

Filip je studirao na Visokom učilištu Algebra, u kojemu sam mu bio predavao na nekoliko kolegija i kojemu sam bio mentor na Završnom radu.

Tijekom studija je sudjelovao na raznim projektima, koje je realizirao vrlo uspješno i unutar roka, kao i sam Završni rad u području web dizajna i developmenta.

Smatram da je Filip svakako zaslužio ovu preporuku i da će na poslu pokazati sve svoje vrijednosti, te će svojim znanjem i vještinama doprinijeti Vašem timu.

Srdačan pozdrav

mr. sc. Mario Perić
